

# VACANCY ANNOUNCEMENT FOR THE POSITION OF GENERAL MANAGER (DRILLING SERVICES)

Oil & Gas Development Company Limited (OGDCL) is looking to appoint General Manager (Drilling Services) to provide technical support for enhancing performance and cost efficiency in Company operations. We are looking for candidates with excellent communication skills and a focus on working together towards our common goals of efficient and safely delivering oil and gas wells.

## QUALIFICATION:

Bachelors of Engineering or M.Sc. Chemistry/Geology (16 years' equivalent as recognized by HEC) from a reputable National or internationally recognized University.

## EXPERIENCE:

16 years' relevant post-qualification experience including 07 years in management role(s) with reputed E&P or Oilfield services provider relevant to drilling operations or well services like drilling fluids engineering or cementation/stimulation in upstream oil & gas sector.

## JOB RESPONSIBILITIES ENTAIL:

- Handling operational, financial and planning matters with responsibility of managing teams across main domains of drilling fluids engineering & cementation/stimulation operations.
- Resource planning, allocation including operational and developing capital budgets and yearly forecasts and developing Key Performance Indicators (KPIs) of Drilling Services department.
- Ability to promote and develop HSEQ culture and training for talent development leading to succession planning.
- Actively implement industry best practices as part of efficient well delivery process. The candidate must be analytical and at the same time able to have an overview of multiple operations.

## NOTE:

- Period of contract will be three (03) years (extendable on performance basis).
- Company reserves the rights to stop the recruitment process at any stage.
- No TA/DA will be admissible for the interview.
- Upper Age Limit 55 years.
